Fare and Booking Information

Regular bus users will be on the bus list, so they do not require a bus pass and will have a permanent seat. Casual bus users will need to purchase a pass or one-off trip from the office prior to boarding, and seats are subject to availability.

The cost of a regular seat on the bus is \$20 plus GST per week per family, or \$15 plus GST per week per family *whose parent/s holds a Health care/Veterans/pension card*. This will be included on your school invoice and a School-Parent Agreement (SPA) must be signed. Please request a copy from the school office.

A casual bus trip costs \$5 each way, to be booked and paid for through the office no later than 2:00pm on the day of travel. Casual ten-trip bus passes are available for pre-purchase from the office. Students are required to show their casual pass to the driver upon boarding.

In the afternoon, buses depart the school at approximately 3.05pm. A roll is taken before the bus departs to ensure all travelling students are accounted for. The office *must* be notified **before 2:00pm** if a student will be absent from the bus run.

If you wish to use the bus service, please contact the office on ph. 4093 8809 to book. Families using the bus service must sign a code of conduct for the bus.
